Common Questions

What if I don't have all the details of my appointment when I call for a ride?

If you do not have the following facts when you call, you may not be able to set up your ride and will have to call us back.

- Your name and date of birth
- Your Medicaid number
- Address and phone number of the place where you need to be picked up
- Name, address and phone number of the Medicaid or CSHCN provider you'll be visiting
- Date and time of your appointment
- General reason for the appointment

What if I'm not sure about when I'll need to come back home? Just tell us to leave your return time open ("will call") at the time you set up your ride. You can call our Where's My Ride line when you are finished with your appointment and a ride will pick you up within one hour.

How do I know when it's been set up?

At the end of the call, we will give you a confirmation number for your reservation and tell you the time your driver will pick you up.

What if I have a complaint? If something doesn't go right on your ride, please call 1-877-633-8747 and select Option 2 to file a complaint or through the HHSC Office of the Ombudsman at 877-787-8999.

What if I call for a ride and you turn me down? You will be told why you were not eligible for a ride and you will be sent a letter with details and instructions on how to appeal the decision.
